IBSA regulations for participation in the IBSA 2017 Judo American Championship

1. Participating countries must be an IBSA member in good standing.
2. All participating athletes must be registered and licensed in the IBSA ISAS database for the current year.

3. For participating athletes without a confirmed ('C') classification or a review status without a date or a date in the current year, the Medical Diagnostic form must be uploaded six weeks

before the start of the event. This means that all MDFs must be uploaded **before the 10 July**.

Failure to do this could mean that your athletes will not be classified and unable to participate.

3. This year IBSA had to change their Eligibility Agreement Form according to EU law changes and every athlete now must have a new Eligibility form signed and stamped (if they have an official stamp) by the IBSA Member and the athlete and uploaded to the database otherwise they cannot be licensed. Please contact ibsaassist@ibsasport.org if you need any assistance
