All judokas have to possess an IBSA ISAS code number. From 1st January 2015 all IBSA athletes must be registered on the IBSA Sport Administration System (ISAS).

2. IBSA Online Registration on the IBSA ISAS DATABASE

IBSA began online registration through the ISAS database for all sanctioned competitions in 2018. We enclose a very simplified Powerpoint Presentation, which explains how this is done. Online accreditation means the following:

1. The IBSA member chooses directly the athletes registered in the database and inscribes them online;
2. It means they must be registered in the database before they can be inscribed in the competition and entry BY NUMBER must be completed before ENTRY BY NAME;
3. The LOC will receive a list of competitors with all their data including photos if they wish for accreditation downloaded from the ISAS database;
4. The TD will have all data about every athlete readily available and this will be integrated into software for the judo championship assisting their draws and accreditation etc;
4. Normal paper entry forms are completed for accommodation AND FOR STAFF.ONLY

All athletes will be accredited online

For the IBSA Judo World Championships:
The deadline for first entry - BY NUMBER is: 1 JUNE - 1 JULY 2018
The deadline for first entry - BY NAME is: 1 JULY 2018 - 15 SEPTEMBER 2018

To register your athletes online: https://isas.ibsasport.org/entries/index
3. Insurance

Each IBSA member Federation (in the following: IBSA Member Organisations) is responsible for its competitors (the control of non-pregnancy as well as the control of gender are placed under the responsibility of the National Federations) and must assume all responsibility for accident and health insurance as well as the civil liabilities for their competitors and officials, during the event described in these outlines.

The organizer of the event and the IBSA will not be responsible for any insurance related to the above-mentioned matters. Nevertheless, the IBSA Member Organisations staging the event shall take all necessary actions to provide insurance coverage against civil liability for the entire duration.

The organizer of the event and the IBSA are not liable for any claims of injury, illness or death arising out of the participation and traveling in connection with this event.
