7. NOTES
| Note 1 | **Name, Qualifications & Medical Speciality**  
For example: Dr AB Cook, MD FRACP, Gastro-enterologist. |
|--------|-----------------------------------------------------------------|
| Note 2 | **Medication Details**  
Provide details concerning the substance(s) on the World Anti-Doping Code Prohibited List for which approval is sought. Use generic names (INN) as well as commercial names and specify medication dose. |
| Note 3 | **Diagnosis**  
Evidence confirming the diagnosis must be attached and forwarded with this application and must be in English. The medical evidence should include a comprehensive medical history and the results of all relevant examinations, laboratory investigations and imaging studies. Copies of the original reports or letters should be included where possible. Evidence should be as objective as possible in the clinical circumstances and in the case of non-demonstrable conditions independent supporting medical opinion will assist this application. |
| Note 4 | **Medical Evidence**  
If a permitted medication can be used in the treatment of the athlete’s medical condition, please provide clinical justification for the requested use of the substance(s) on the World Anti-Doping Code Prohibited List. |
| Note 5 | **National Federation Medical Officer**  
All applications must include a statement by the Medical Officer of the athlete’s National Federation, attesting to the necessity of the use of substance(s) on the World Anti-Doping Code Prohibited List in the treatment of the athlete. |
