According to the current IBSA Showdown Rules only B1, B2, B3 players are allowed to play. Players who haven't been classified by IBSA have to provide a VI medical document from their Country providing their level of visual impairment and send it by mail.

It is mandatory to send the VI documentation to the Showdown Sport Committee and cc to the Organizer within the tournament's registration deadline.

If in the last 3 years you participated to the Tournament and you already provided this document, please don't send it again.

Athletes who have been classified during the last IBSA Sanctioned Event (World Championships 2019) do not need to present the VI documentation.

English is the official language of the Tournament.

No time limits will be applied to matches. One point will be awarded for a won match.

Game schedule and results will be available online.

All players are strongly recommended to wear uniform and proper sports gear during the tournament and prize-giving ceremony. Tournament and ceremonies might be broadcasted by sports media or other media.

We estimate to be able to host from 90 to 100 players.

Estimated number of male players is around 55 to 60 and female players around 35 to 40.
