Poland is a country situated in Central Europe. It covers more than 320 thousand square kilometers and has a population of over 38 million people. Poland's official language is Polish. The climate is moderate there, which means that summers are usually hot and sunny, winters cold and springs and autumns quite mild. While the north of Poland has an access to the sea, the south of Poland is dominated by the mountains. The Tatra Mountains are perfect for winter sports and hiking, so they attract a lot of tourists and climbers from all over the Europe. The Baltic Sea, on the other hand, is known for its healthy climate, sandy beaches and popular holiday resorts. Poland belongs to the European Union and has a great economic potential. There are many universities and academies which offer the highest level of education. Polish culture and art have a long history and

are distinguishable abroad. Although Poland is highly developed and influenced by contemporary trends, it also retains its own unique tradition.

Olsztyn is located in the north-east part of Poland in the region known as the "Thousand Lakes". There are 15 lakes inside administrative bounds of the city (13 with an area greater than 1 ha) offering a lot to all those who appreciate the value of (active or passive) holiday by the water. Other attractions include: the Old Town situated on the Lyna's bend, a planetarium, an astronomical observatory in a 19th century water tower, a philharmonic, and a park in the area of urban forest (the largest forest in an urban area in Europe) with a forest stadium dating from the 1920-ties. There is a bus network with 33 bus lines, including 6 suburban lines, 2 night-time lines and 1 line tram. Olsztyn has train and bus connections to the biggest cities in Poland like: Warsaw, Gdansk, Szczecin, Poznan or Bydgoszcz.
